

2018 CO REGIONAL COMBINE JUNE 29TH-30TH - CHEROKEE TRAIL HS

Wrestling Combine = Live Practice Sessions + Technique + All-Star Dual

Open to ALL Wrestlers from Colorado and Surrounding States!

Combine

Let's see who loves to battle with a practice combine, conducted as intense practice sessions alongside high level technique taught by Colorado clinicians. Registration is open to wrestlers from any state, who as of June 1st are eligible for the 8th grade up to HS Seniors from the class of 2018. College coaches from the surrounding states will be in attendance to observe participating wrestlers in both practice and competition.

All-Star Dual

We want the best-of-the-best on the mat in an All-Star Dual! From the pool of combine participants, we will host wrestle-offs throughout the combine to determine two final squads. Then, our lead clinicians will serve as honorary coaches and face off with their respective squads* in an All-Star Dual on the final day of the Combine. Seating will be limited and admission can be purchased in advance on TrackWrestling.
